In 2005 Ljubljana hosted the 37th International Danube Symposium For Neurological Sciences And Continuing Education.

A decade is over. The Symposium and ourselves, we all are all ten years wiser and older. What about neurology? Understanding of pathological mechanisms, diagnostic skills, management possibilities and ethical (self)questioning - where are we now, ten years later?

To find answers, or to be left with questions, to reinforce your neuro-optimism or justify a neuro-pessimism, may I warmly invite you to

THE LJUBLJANA DANUBE SYMPOSIUM – TEN YEARS AFTER
October 5-6th 2016

Ljubljana, a charming mid-European capital will host the 48th get-together, addressing largely the same topics as discussed in 2005, but from the perspective of a decade later.

MAIN TOPICS:

• The Danube Lecture
• Management of acute ischaemic stroke in Danube countries & beyond
• Management of carotid disease in Danube countries & beyond
• Atrial fibrillation treatment in Danube countries & beyond
• Pathophysiology of cortical motor disorders
• Functional neuroimaging
• Satellite symposium on new diagnostic and treatment aspects of neurological disorders
• Recent findings in experimental and clinical neurology
• Hand-over clinics – Transition from paediatric to adult neurology
• Paediatric neurological disorders at the end of adolescence
• Satellite symposium on new and emerging indications for botulinum toxin treatment
• Migraine
• Satellite symposium on dementia: What is new about Alzheimer’s disease?
• Bridging neurology and psychiatry
• Demyelinating disease
• Satellite symposium on MS treatment
• Polyneuropathies
• Ethical issues in neurology

ALSO, AFTER A DECADE

• Young neurologists (YNT) get together
• Specialist nurses in neurology
• Personal neurological letters from Danube countries and beyond
• Basal ganglia video dinner
• Poster highlights

Please join us in Ljubljana!
prof. Zvezdan Pirtošek, MD, PhD
