

INVITATION

European Academy of Neurology

DAY

15th May 2019

International Hotel

Golden sands

Dear colleagues,

With a great pleasure I would like to kindly invite you to the first “EAN Day” in Bulgaria, a project of the European Academy of Neurology.

The event will take place on the 15th May, in International hotel, Golden Sands, prior to the forthcoming XVIII National Neurology Congress.

While celebrating the 90th Anniversary of the Bulgarian Society of Neurology and with hosting the EAN day, Bulgarian specialists will have the chance to once again share the progress and the development of Neurology as a science. We believe that the EAN-day will facilitate the exchange of modern theoretical and practical knowledge among international colleagues, who are attending the Local National Neurological Society Meeting.

Guest lecturers of the event will be leading names from the world of neurology in Europe.

The opportunities for your participation are the following:

ξ EAN Day seats are limited to 150 participants – once that number is achieved, participants would not be included.

- § Only members of the Bulgarian Society of Neurology may participate in the seminar.
- § All expenses, incl.: attendance of lectures, delegate materials, coffee breaks and lunch, are covered by the European Academy of Neurology.
- § An additional night, on the 15th May, could be demanded as part of your participation at the XVIII National Congress of Neurology.
- § If you would like to participate, please send an e-mail with your coordinates to: Company for International Congresses Ltd., Diana Ivanova, number: +359 2/892 08 08, mobile number: +359 884 171 120, e-mail: divanova@cic.bg.

I look forward to the academic and educational initiative "EAN Day"!

Sincerely,

Acad. Ivan Milanov

Chairman of the Bulgarian Society of Neurology

15 May 2019
