

## **WSC 2021**

13<sup>th</sup> World Stroke Congress  
28-29 October 2021 | Virtual

The [preliminary program](#) of WSC 2021 is now online.

*This year's Congress will offer the latest science, clinical trials, and guidelines to stroke prevention, treatment, rehabilitation, and support, from every part of the globe. The program includes diverse session formats, to facilitate improved learning and live interaction opportunities.*

*If you are interested in being part of the WSC 2021 scientific program, you still have time to [submit your research](#) in the fields of stroke and cerebrovascular disease.*

*With registration rates starting from €20 and the option to participate from wherever you are based, presenting internationally has never been so affordable and accessible. Take the opportunity to be part of this year's scientific program and push forward your career.*

*When submitting an abstract, you will also have the chance to apply for the [Young Investigator Award](#).*

**Abstract submission closes 9 June 2021.**

See you in October!
